ADAMS
Adams Elementary School PTA will hold its association meeting Nov. 16, at 7 p.m. in the cafeteria. Mrs. William Staats, program chairman, will introduce an officer of the Torrance Police Department who will speak on Safety. Mrs. Robert O'Betz will show a film on CANHC.

What's CANHC? Have you ever known a perceptually handicapped child? Perhaps not. But, perhaps you have without being aware of it. Perhaps you have only been aware that Johnny seemed a bit different, maybe hard to manage, difficult to predict or understand, but not bad or unintelligent, just a problem. Perhaps you even felt thankful he was not your problem. For a while, he is a problem to his parents, teachers, and to himself. He may ultimately become one to society, too, if understanding, care and appropriate treatment is not found. Come to this meeting and learn how each of us can help these children. A question and answer period will follow.
